

IAHF List:

DHS & the University of Maryland generated [this white paper](#) calling anyone who supports the US Constitution to be a "terrorist." This offends me to the point where I called my Senators and Congressmen to complain. (1-877-SOB-USOB to Capital Switchboard) Please join me in complaining, but also in taking the specific actions listed below in order to totally stymie the globlists plans.

This alert contains valuable information to help us all live free in an unfree world! In this you will learn how to fly without showing any government issued ID, you'll learn how to protect yourself from toxic chemtrails, you'll learn how to get tons of people to refuse to go through the cancer causing, sperm count dropping backscatter x ray machines, and you'll see evidence that the Department of Homeland Security and University of Maryland have generated a paper that labels all Constitutionalists "terrorists". (We must protest this outrage, en masse while arming ourselves to the teeth with information, and weapons!)

All of us must take any action that directly opposes the ruling elite's efforts to control us, and to strip us of our God given unalienable rights. We are clearly **at war against our rogue government**, right now, but **we are not powerless to resist and oppose** the mounting effort to control every aspect of our lives and to turn us into microchipped slaves.

GET BACK AT THE TSA GOONS- HOW TO THWART THEIR CRIMINAL AGENDA

Don't you hate it when you are in an airport and you are forced to show government issued ID just to get on a plane? Don't you hate having to remove your shoes, belt and anything metal from your pockets as you are herded like cattle through a backscatter x-ray machine that is intended to cause cancer and to make men sterile for population control purposes? See this site "[TSA GOONS](#)" which documents the gross abuses of this criminal agency. (Then call your Senators and Congressmen via 1-877-SOB-USOB to demand the cut all funding to FDA.)

Don't you hate knowing that [the law allows](#) our government to conduct Nazi like experiments on us including spraying us with incredibly toxic levels of heavy metals including arsenic, barium, strontium, cadmium, mercury, iron, zinc, and antibiotic resistant bacteria that includes man made nano fibers intended to turn us into non reproducing Androids who can be totally controlled by our would be overseers?

HOW YOU CAN LEGALLY FLY WITHOUT GOVERNMENT ISSUED I.D. EVERY TIME!

My friend Jobie Weeks has [flown more than 20 times without showing any government issued ID](#), and I want you all to learn from his experience so we can all start doing this because it will drive the Fedstapo stark raving nuts since there is not a damn thing they can do about it, any more than they can stop us from using [organic sulfur](#) to protect ourselves from toxic chemtrails that are intended to weaken our immune system to give us cancer, Alzheimers, and to turn us into non reproducing Androids!

Please go to the link above to learn exactly how you can fly without government issued ID yourself! It gives me a good feeling to know that the airlines can't force us to show a drivers license or passport. They think they can, but his experience shows that Jobie Weeks has figured out how to get around this nonsense in order to hang on to a shred of freedom!

When the ticket agent attempts to insist that you "can't get on the plane" without showing a Drivers License or Passport, this is the phrase that gets you off the hook: ***"Just tap up Sec-Dec 96-5 on your computer, and go to Paragraph 1, Section C. Designate me as a 'selectee,' and proceed accordingly."*** (Read the full link above to completely understand this.)

Then, once you're in the so called "security" line, you can CONTINUE to screw with the terrorists efforts to weaken, injure and enslave you by handing out [copies of this article](#) by Neurosurgeon Russell Blaylock, MD, to dissuade as many people as possible from going through the cancer causing backscatter x-ray machine which is intended to cause cancer and make men sterile.

Many have reported that the health effects of this activity are cumulative, so if you are not severely affected by this activity now, you may be in the near future. Please take time to learn more.

Animal & Environmental Concerns

Not only are we concerned about the effect spraying is having on human health, but we are also concerned about animals and the environment.

- We have witnessed [deaths of entire ladybug colonies](#) after 3 extremely heavy days of spraying. Others are witnessing massive die offs of ladybugs in many [other areas](#) as well.
- There have been unexplained [continuous deaths of bats and bat colonies](#). Over 11,000 bats died in 2008. The disease is being called "white nose syndrome" but the cause is baffling experts.
- Nearly everyone has heard about the [massive bee die-off](#) nation wide. The U.S. and U.K. both reported to have lost about one-third of its bee population in 2008.
- [Soils are becoming contaminated](#) with very-high levels of aluminum. If aluminum levels elevate above 400ppm, numerous species of plants will die.

Other serious environmental anomalies are occurring. We feel sure we know what is causing this harm, but we need to test our hypothesis and then publish our results. Finally, legal action needs to be taken to put an end to this crime.

Please encourage everyone you know to participate either in person, or via the web in this anti chemtrail conference August 17-19th where you can watch numerous

speakers discussing the issue of chemtrails. [Consciousness Beyond Chemtrails](#)

Please stock up on [the best organic sulfur](#) in the world! It will not only protect you, your family and pets from the toxic impact of chemtrails by chelating all the heavy metals to safely remove them from your body, but it will also assist you in achieving optimal cellular functioning so as to be as healthy as humanly possible! It will help you alleviate stress caused by this entire genocide agenda by neutralizing acid dumped into your small intestine to help you be very calm and grounded despite all the NWO is trying to do to us!
